

# TROPISCAPE

TRIPTYCH

I was in the middle of reading Michener's "Caribbean" when I got the compulsion to paint a scene of that tropical paradise. Tropiscape is my composite of things Caribbean and tropical.

Custom sizes available and wholesale customers welcome. Licensing agreements are available for all Johns paintings

Three individual paintings that make up the "Tropiscape" triptych. Each individual scene is recreated in a size of 600 x 490 either in canvas or fine art paper edition. Each image can be purchased individually or in the series of three that form the full "Tropiscape" triptych, with an image size of 600 x 1.900 inclusive of a 50mm white canvas strip between image.
